CHAIKHANA TEA HOUSE

Chaikhana literally means "A Tea House" and a more poetic definition is "A Tea Treasury" which reflects well our ambition to preserve and refine the cultural traditions and art of tea drinking both in taste and aesthetics. Therefore we wish to share our passion for teas with all tea lovers around the world.

At Chaikhana we welcome you to the sublime world of the finest teas accompanied by a unique selection of culinary dishes, pastries and sweets. Come and enjoy a light lunch or an afternoon tea in the English or French fashion. We also offer tea-tasting evenings on regular basis or at request.
